

With the end of 2009 fast approaching—there has been little rest for us here with a flurry of last minute shipments and new products. We will inform you shortly of this years closing and 2010 reopening dates so stay tuned... now is definitely the time to ensure you have enough stock to carry you over the new year period... (unless like us, you intend to take what we believe is a well earned break!). In this issue we will have the usual update on the association, some specials... and as mentioned a host of fantastic new products. In our previous "special edition" issue we highlighted the fantastic industry effort "Glass 21" exhibition.. We do hope many of you got out to see it and were inspired to look at new innovations, styles and techniques to incorporate into your world. Info on the association AGM in this issue....

Although this is our penultimate issue for 2009 we thank you (ahead of time perhaps) for your continued support over the last year—it has been quite a ride with mixed fortunes, which often seems to be the case in our industry!

AGDA Inc update

The association AGM will be held on
Thursday 3rd December
Time ~ 6.30pm for 7.00pm dinner
At ~ The Exchange Hotel

Last years meeting/dinner was enjoyed by all. A great opportunity to network with like minds!

Also for discussion will be the 2010 exhibition projects at Fed SQ and Chapel off Chapel.. (dinner and drinks at bar prices)

Many of you will have seen the last newsletter and/or attended the AGDA exhibition... which was a great success!
